

Cognitive Behavioral Therapy (CBT) for Alcohol Use Disorder

In this program I will teach clinicians about the foundations of Cognitive behavioral therapy for alcohol use disorder. I will then teach how these principles are applied to session by following an established (and publicly available) CBT manual for alcohol use disorder. I will review the treatment goals and techniques required to implement the CBT protocol with the highest fidelity. I will discuss each of the seven core sessions (including handouts) in the CBT program:

- Session 1: Introduction to Coping Skills Training
- Session 2: Coping with Cravings & Urges to Drink
- Session 3: Managing Thoughts About Alcohol & Drinking
- Session 4: Problem Solving
- Session 5: Drink Refusal Skills
- Session 6: Planning for Emergencies & Coping With a Lapse
- Session 7: Seemingly Irrelevant Decisions

I will then review the optional sessions and I will conclude by reviewing a host of free resources for evidence-based practices in addiction, primarily those offered by the National Institutes of Health. I will conduct this seminar by combining lecturing, question & answer periods, videos, and polling tools to engage the audience.

Target Audience

Psychologists Social Workers Counselors
Therapists Psychiatrists Nurses

Course level: Intermediate

Learning Objectives

At the end of this seminar, participants will be able to:

- 1) Describe the rationale for implementing cognitive behavioral therapy for alcohol use disorder.
- 2) Explain the key elements of outpatient CBT for alcohol use disorder.
- 3) Discuss which patients are appropriate for outpatient CBT.
- 4) Implement the core sessions of CBT for alcohol use disorder.
- 5) Select and implement a host of optional sessions of CBT for alcohol use disorder.

Seminar Schedule

Typically begins at 11:00 AM and ends at 2:15 PM Eastern time. However, check the webinar schedule.

Outline

Begin 11 AM ET

The program will be conducted in four blocks of 30-minutes each, including Q & A periods.

First 30-min period: Theoretical and empirical foundation for CBT for AUD, providing a rationale

Second 30-min-period: Structure of the sessions, roles of client and therapist, treatment goals, homework in CBT

Third 30-min period: Sessions 1, 2,3 will be discussed in more detail (objectives, techniques, handouts)

BREAK 12:30-12:45 PM ET

Fourth 30-min period: Sessions 4, 5, and 6 will be discussed in more detail (objectives, techniques, handouts)

Fifth 30-min period: Session 7, optional sessions selection, and termination session will be discussed in more detail (objectives, techniques, handouts)

Sixth 30-min period: Summary of treatment program, expanded Q&A, discussion of resources for clinical practice, closing remarks
End 2:15 PM ET

Our seminars are available in two formats. The first is a live, interactive webinar. If the webinar time is not convenient for you, you can purchase the Home Study version. It is a recorded version of the webinar. You will have to pass a test to earn CE's for both the live webinar and the Home Study version.

Continuing Education Credit

To earn CE's, you must attend the entire webinar. No partial credit is available. For both the webinar and the home study version, you will have to pass a post-test with 80% correct and complete a seminar evaluation to earn the certificate. You can take the test up to three times. Participants will earn 3 CE's for attending once they have completed these requirements.

PSYCHOLOGISTS: tzkseminars is approved by the American Psychological Association to sponsor continuing education for psychologists. tzkseminars maintains responsibility for this program and its content.

SOCIAL WORKERS: tzkseminars (Provider # 1242) is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. tzkseminars maintains responsibility for this course. ACE provider approval period: 3/28/2022 to 3/28/2025. Social workers completing this course receive 3 general continuing education credits.

COUNSELORS: tzkseminars has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6621. Programs that do not qualify for NBCC credit are clearly identified. tzkseminars is solely responsible for all aspects of the programs.

tkkseminars is recognized by the New York State Education Department's State Board for Mental Health Practitioners as an approved provider of continuing education for licensed creative arts therapists #0001.

tkkseminars is recognized by the New York State Education Department's State Board for Mental Health Practitioners as an approved provider of continuing education for licensed marriage and family therapists #0003.

tkkseminars is recognized by the New York State Education Department's State Board for Mental Health Practitioners as an approved provider of continuing education for licensed mental health counselors #0004.

tkkseminars is recognized by the New York State Education Department's State Board for Mental Health Practitioners as an approved provider of continuing education for licensed psychoanalysts #0002.

tkkseminars is recognized by the New York State Education Department's State Board for Psychologists as an approved provider of continuing education for licensed psychologists #PSY-003.

tkkseminars is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Presenter

Lara Ray, PhD, earned her doctorate in clinical psychology at the University of Colorado, Boulder, in 2007. During her training she specialized in the biological bases of behavior, including behavioral genetics and neuroscience of addiction. Dr. Ray completed her predoctoral internship at Brown University Medical School, where she also completed a postdoctoral fellowship in Addiction Psychology at the Brown University Center for Alcohol and Addiction Studies. In 2008, Dr. Ray joined the faculty in the Department of Psychology at the University of California Los Angeles (UCLA), where she is now a full professor. Dr. Ray has been actively engaged in research, teaching, and practice of psychology with a focus on addiction. She provides direct services to patients in her private practice and she leads a Cognitive Behavioral Therapy Clinic for Addiction within the UCLA Psychology Clinic. Dr. Ray has over 200 peer-reviewed publications, mostly on the topic of addiction etiology and treatment. Dr. Ray has been widely recognized for her scientific contributions to the field, notably receiving the prestigious Distinguished Scientific Award for Early Career Contribution to Psychology by the American Psychological Association (APA) in 2017. Dr. Ray lectures nationally and internationally on the topic clinical research in addiction.

General Information

The TZKseminars educational planning committee members and this seminar's presenter have no relationship with any ineligible companies-those whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.
