

# Coping with COVID-19: Using DBT Skills to Help us and our Clients Manage in Times of Crisis

During times of crisis we all need support! Through TZK Seminars, Sheri Van Dijk is offering a free, one-hour webinar to help clinicians manage their own stress and other difficult emotions, as well as an overview of some of the skills clinicians can use to help clients during this difficult time.

## Target Audience

Psychologists  
Therapists

Social Workers  
Psychiatrists

Counselors  
Nurses

Course level: Intermediate

## Learning Objectives

At the end of this seminar, participants will be able to:

1. Learn some skills to help you and your clients to quickly re-regulate when intense emotions arise
2. Understand more about how to help your client take a more balanced perspective in the crisis
3. Review how mindfulness can help
4. Discuss the skill of radical acceptance and how it can help reduce suffering
5. Learn about the distress tolerance skills that can help keep your mind off

## Seminar Schedule

Typically begins at 10:00 AM and ends at 11:00 AM Eastern time. However, check the webinar schedule.

Our seminars are available in two formats. The first is a live, interactive webinar. If the webinar time is not convenient for you, you can purchase the Home Study version. It is a recorded version of the webinar. You will have to pass a test to earn CE's for both the live webinar and the Home Study version.

### Continuing Education Credit

To earn CE's, you must attend the entire webinar. No partial credit is available. For both the webinar and the home study version, you will have to pass a post-test with 80% correct and complete a seminar evaluation to earn the certificate. You can take the test up to three times. Participants will earn 1 CE's for attending once they have completed these requirements.
