Continuing Education Credit

To earn CE's, you must attend the entire webinar. No partial credit is available. For both the webinar and the home study version, you will have to pass a post-test with 80% correct and complete a seminar evaluation to earn the certificate. You can take the test up to three times.. Participants will earn 3 CE's for attending once they have completed these requirements.

PSYCHOLOGISTS: tzkseminars is approved by the American Psychological Association to sponsor continuing education for psychologists. tzkseminars maintains responsibility for this program and its content.

SOCIAL WORKERS: tzkseminars (Provider # 1242) is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. tzkseminars maintains responsibility for this course. ACE provider approval period: 3/28/2019 to 3/28/2022. Social workers completing this course receive 3 general continuing education credits.

COUNSELORS: tzkseminars has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6621. Programs that do not qualify for NBCC credit are clearly identified. tzkseminars is solely responsible for all aspects of the programs.

The Presenter

Jonah Paquette, PsyD, is a licensed clinical psychologist, speaker, and author. He is the author of *Real Happiness: Proven Paths for Contentment, Peace, and Well-Being* (PESI Publishing, 2015), a research-based self-help book in which he distills the key findings in the fields of happiness, and offers user-friendly tools to achieve lasting well-being. His second book, *The Happiness Toolbox* (PESI Publishing, 2018), a research-based self-help workbook, provides easy-to-use handouts and worksheets designed to increase happiness and life satisfaction.

Dr. Paquette is a psychologist at Kaiser Permanente in the San Francisco Bay Area, where he conducts group and individual psychotherapy, performs crisis evaluations, and serves as the Training Director for an APA-Accredited postdoctoral residency program. In addition to his clinical work and writing, Dr. Paquette offers training and consultation to therapists and organizations on the promotion of happiness and conducts professional workshops around the country. He is also a frequent media contributor, having been featured regularly in print, online, and radio outlets. Dr. Paquette's clinical experiences have spanned a broad range of settings, including Veterans hospitals, community mental health clinics, college counseling centers, and his current work at Kaiser Permanente.

Target Audience

Psychologists Social Workers Counselors
Therapists Psychiatrists Nurses

Course level: Intermediate

Learning Objectives

At the end of this seminar, participants will be able to:

1. Identify common reactions clients may be experiencing during COVID-19, including effects on mood, sleep, and anxiety.
2. Explore specific brain regions linked to positive emotional states, and identify techniques that can help increase neuronal activity in these areas to create lasting change through neuroplasticity
3. Utilize research-backed approaches to effectively treat anxiety and worry
4. Administer specific practices to cultivate self-compassion, gratitude, compassion, and healthy lifestyle habits
5. Employ research-backed approaches drawing from positive psychology and mindfulness that can be tailored to common reactions during the COVID-19 crisis.

Seminar Schedule

Begin 12 PM EST and end 3:15 PM, with a 15 minute breaks at 1:30.
